Feeding the hungry in body, mind, and spirit.

Blessings unto you and thank you for all you have done to make this ministry move forward. I give thanks to God for the calling he has given me and the privilege to serve with each and every one of you.

On September 12, 2009 Coheleth Ministries will be celebrating its 21st Anniversary. We are expecting 600 families or more to pass through our food distribution. This will be a time to celebrate for all the years God has allowed us to serve in our community, as well as a chance to show all those families how much God loves them by giving out clothes, furniture, food, and the word of Jesus Christ.

We need your help because this event requires the collaboration of volunteers and donations. Anyone with a willing heart is more than welcome to come and serve at this event. Please visit our website for a list of positions that still need to be filled. If you would like to make a financial contribution or donate clothes, furniture or food please call us.

For our back-to-school program we are looking for a donation of 500 backpacks that we can give away to kids. With the present state of the economy, many families need our help and support more than ever.

We continue to preach the gospel on the streets, taking the word of God to people that are in great need of spiritual food. We now have a Bible study and prayer group in Portuguese every Tuesday morning and one in Spanish every Wednesday night. If you are interested in attending or know someone that would like to attend please call us for more information.

Our warehouse location has been a blessing to our ministry not only as it allows us to store food, clothing, and furniture, but also because it has allowed us to host groups of people who want to praise the name of our Lord in different languages. We have been looking to start an after-school program where kids could be mentored and receive help with their

homework. At this rate, our 900 square foot warehouse will soon run out of space, requiring a larger facility center. We need your financial contribution to ensure that our doors will remain open, continuing to bless families in so many ways. When looking at the hardships in our ministry this verse comes to mind "For God is not unjust. He will not forget how hard you have worked for him and how you have shown your love to him by caring for other believers, as you still do. Our great desire is that you will keep on loving others as long as life lasts, in order to make certain that what you hope for will come true" (Hebrews 6:10,11).

Iwould like to thank First Christian Church of Huntington Beach for adopting us as a local outreach ministry. Thank you for believing in the work God has entrusted us to do. Brothers and sisters, thank you for your love and prayers for my family, myself and this ministry. I can tell you that the job is not easy, but it's an honor to continue to serve. Looking at the Lord's blessings and promises gives me the strength to continue to do his work. Thank you to all the volunteers that have helped us all these years, for this ministry could not have been possible without your service. We hope that your eyes remain on Jesus Christ so that in the short amount of time we have left, that we may live by faith in his name.

Your brother in Christ,
Orlando Pimentel Sanchez
