Feeding the hungry in body, mind, and spirit.

Orlando with his mother Maria Carlota Pimentel Sanchez. Mother, grandmother, friend and strong believer in our Lord Jesus Christ.

I'd like to begin by giving our Lord thanks for the many blessings he has bestowed upon us. Also, to our volunteers and patrons, thank you for your prayers, donations, and for believing in the work God has entrusted us to do.

On Easter Sunday at 8:30 p.m. my beloved mother departed this world to be with our heavenly Father. A widow for many years, she was left without a husband but not left alone. Our Lord Jesus Christ became the center of her daily devotionals, she trusted in the Lord and in His holy word, and prayed everyday for her children and grandchildren that they would come to know Jesus and have a personal relationship with God. 1 Samuel 2:30 says that he will honor those who honor him and he has continued to honor my mother's prayers as many of her children and grandchildren have come to know Jesus. She left a firm and strong legacy in the Lord as she finished her race here on earth. She will be greatly missed.

Two days later my youngest daughter Oleny was involved in a severe car accident, but by God's grace she is alive and doing well. She will be graduating from Newport Harbor High School this coming June. Looking back at the month of April, it reminds me of Romans 8:28 "And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for them." Thank you for your love and prayers for my family.

We continue preaching the gospel on the streets and making disciples in all possible ways. On Tuesdays we have a small Bible study in Portuguese and Wednesdays our Spanish Bible study is at our warehouse. On April 25 we assisted a church in the city of Oxnard led by pastors Jose and Maria Coronado in a children's event where many people were blessed. For our mother's day event on May 9, brother John White, President of Firefighters for Christ International, shared a message of hope and around 40 people dedicated their lives to Jesus Christ. God is doing amazing things at QM and we invite you to come visit us at one of our events.

At Coheleth Ministries, we are always looking for new ways to help those truly in need. We will continue to focus our ministry in the Orange County area but are looking to send provisions to other parts of the world that might need immediate assistance. We will keep you informed of how you can help or assist in this project that will help many needy people in other parts of the world.

As our ministry continues to grow, new challenges and needs have risen that require the attention and help of our friends. Please take a few minutes to go online and find out how together we can overcome these challenges and needs. Thank you all again for your hard work and dedication.

Your brother in Christ,
 Orlando Pimentel Sanchez.

The harvest is great but the workers are few. So pray to the Lord who is in charge of the harvest; ask him to send more workers into his fields. Matthew 9:37-38
